

CFA:MSUM WELCOMES

PZ MYERS

PRESENTING

**DESIGN AND
DARWIN:**

**WHY
COMPLEXITY
IS NO
FRIEND OF
INTELLIGENT
DESIGN**

PZ Myers is a biology professor at the University of Minnesota Morris and the author of the popular science blog Pharyngula. He is a public critic of intelligent design and is an activist in the American creation-evolution debate. In 2009 Myers was named the American Humanist Association's "Humanist of the Year".

Wednesday, September 23rd

6:00 PM in Science Lab 118

Minnesota State University Moorhead
